### **Notice of Race**

#### **1.0 Waiver of Liability**

1.1 Marconi Sailing Club is providing this race only on the understanding that nothing done by the organisers can reduce the responsibility of the skippers and crew for their safety and welfare nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The term organisers includes everyone helping to run the race and the event, and include the organising authority, the race committee, the race officer, patrol boats and beachmasters.

1.2 The safety of a boat and her entire management including insurance shall be entirely the responsibility of the skipper racing the boat. Nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility. In particular, skippers shall:

- (a) accept full responsibility for their crews and for the seaworthiness and safe navigation of their boats and shall use their own judgement whether to start, continue or retire from a race in the existing or forecast conditions (RRS 4);
- (b) draw the attention of their crews to the risks of racing and to this Waiver of Liability before the start of any race.

1.3 The provision of patrol/safety boats does not relieve the skipper of his/her responsibilities.

1.4 Boats shall be insured for a minimum of £2,000,000 Third Party Liability.

1.5 The fact that the race committee may conduct inspections of a boat does not reduce the responsibility of the boat as set out in this Waiver of Liability.
